

Driving Directions to Lawrence Berkeley National Laboratory Building 7 for Cars

Directions to Building 7 from Blackberry Gate Entrance

After passing the security gate, follow Chu Road until you arrive at the first stop sign at the traffic circle.

Make a right turn onto Smoot Road. Follow Smoot Road and veer left at the fork onto McMillan Road. After passing Building 46A on your right, turn right to stay on McMillan Road.

Take first right onto Segre Road; Building 17 will be on your right. Stay right onto Segre Road. You will pass buildings 27 and 53 on your right. Continue going straight. Look for the bright green SLOW traffic marker in front of Building 7 ahead of you. Drive past building 7, and reserved parking spots will be on your right. A Workforce Development & Education staff member will greet you at this lot and provide further instructions.

Directions to Building 7 from Strawberry Gate Entrance

After passing the security gate, make a left at the first stop sign. Follow Lawrence Road, past buildings 66 and 67, until you arrive at the next stop sign.

Make a slight left to stay on Lawrence Road, then take the first right onto Segre Road. You will pass a Fire Station on your right. Building 6 will be straight ahead of you. Keep to the right to stay on Segre Road until you see the bright green SLOW traffic marker in front of the door to Building 7.

Reserved parking spots will be directly to your left. Please pull into an available spot. A Workforce Development & Education staff member will greet you at this lot and provide further instructions.
